Product information

Constructed from a premium, heavyweight polyester/cotton fabric, this Portwest jacket combines contemporary design with a multitude of features. The jacket has been designed with twin stitched seams, Dual ID window, adjustable waistband for support when bending and lifting and elasticised cuff fastening for comfort.

Portwest Kit™ High Visibility

These garments are made from a premium, heavyweight 300g polyester/cotton fabric combined with a high tensile polyester for reinforcement in the high wear areas. The bright fluorescent yellow fabric combined with the retro reflective stripes offer the highest possible visibility in poor light or adverse weather conditions. All fabrics meet the most up to date EN ISO 20471 European standard.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.

Standards

EN ISO 20471 Class 3
