Product information

The straps are designed to be used after a fall has occurred to stop the harness from damaging your circulation when you are suspended in it.

Fall Protection Accessories

Assort range of fall protection equipment to be used with our other fall protection equipment

Fall Protection

Fall Protection is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of fall protection products for working at height.
