Bizflame Essential Workwear

Bizflame Plus garments provide protection to several EN standards. All of the Bizflame Plus garments have been put through the manikin test under EN ISO 11612 and have achieved excellent results demonstrating the level of protection offered to the wearer. Triple stitched throughout for strength in the toughest environments. Industrial wash flame resistant tape provides enhanced visibility. Prevents build up of wearer static energy

Flame Resistant

This industry leading flame resistant range provides multi standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
