Collection: Thermal Protection Gloves

Range: Gloves

Materials: Cow Grain Leather, Cotton, Insulatex

Inner Pack: 12

Outer Carton: 84

Product information

Premium quality cow grain leather knitwrist glove with Insulatex lining for enhanced warmth. Suitable for coldstore applications.

Thermal Protection Gloves

When cold thermal hazards are present, the hands' motor skills can be greatly reduced, this leads to increased risks of accidents and injury. Specially designed thermal protective gloves are available to combat these hazardous environments.

Gloves

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacture methods are used in the production of Portwests' extensive range of Hand Protection products.
