

FP34 - Tool Lanyard

Collection: Fall Protection Accessories

Range: Fall Protection

Materials: Polyester

Inner Pack: 10

Outer Carton: 24

Product information

Essential for anyone working at height, the tool lanyard can be attached to the user's wrist or person. This can be done using the carabiner or elasticated drawstring, leaving the other end attached to your tool. This item prevents your tool from becoming a dangerous falling object and a safety hazard when working at height. Safe Working Load 2kg

Fall Protection Accessories

Assort range of fall protection equipment to be used with our other fall protection equipment

Fall Protection

Fall Protection is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of fall protection products for working at height.
